KHATAMOV NURIDDIN

STRONG JUNIOR FRONT-END DEVELOPER

KEY SKILLS

- Serious attitude towards work
- Time management skills
- Useful ideas
- Knowledge of Russian and English languages

SKILLS

HTML, CSS, JavaScript, jQuery, Bootstrap, Sass, ReactJS, TailwindCSS, Redux, Typescript, NextJS, ChakraUI, DaisyUI, MaterialUI, Firebase, Zustand, Figma, and what I think is most important is understanding programming and being able to do anything imaginable!

My name is Khatamov Nuriddin, I am 16 years old, I am already a very experienced front-end developer, I have worked in many large start-up projects, I like working in a team, I'm fun to work with!

EDUCATION

Self-study

Everything I know I learned myself from free resources, but that didn't stop me from becoming a junior.

2020 – present

TEAMS

2020 - 2022: Full-Force-Group

2022 - 2022: TechYes!

2022 - present: BlockTechno

and many more small teams...
